

## Half the World Away, performed by Aurora - lyrics

I would like to leave this city  
This old town don't smell too pretty and  
I can feel the warning signs running around my mind

And when I leave this planet  
You know I'd stay but I just can't stand it and  
I can feel the warning signs running around my mind

So here I go I'm still scratching around in the same old hole  
My body feels young but my mind is very old

So what do you say?  
You can't give me the dreams that are mine anyway  
You're half the world away  
You're half the world away

You're half the world away  
I've been lost, I've been found, but I don't feel down  
You're half the world away  
I've been lost, I've been found, but I don't feel down

I don't feel down
