## Spring News

Happy New Year to all our Splash followers and friends! We're back in the office, finalising our "Becoming a Peacemaker" assembly, and preparing for taking it on the road next week. Becoming a peacemaker takes work - but Jesus said "Blessed are the peacemakers..." so let's start this new year well, and learn how to help make peace.

In the assembly we talk about the sermon on the mount and the beatitudes - sharing what Jesus said about peacemakers:

**"Blessed are the peacemakers, for they will be called children of God"**

and share the story of two donkeys who needed a peacemaker to help them eat their lunch!

We have been delighted with the support we have received over the past few months as we have been considering the future of Splash. It is lovely to hear about the impact that our work has on the communities that we serve and we are optimistic that a new season for Splash will lead to new opportunities!

Our finances are moving in the right direction but we still have some way to go before we are financially stable looking to the future. If you are aware of any sources of funding that may be willing to support us, please so let us know!
